Officers' message

Dear Colleagues:

Welcome back to the 2024-25 school year!

We are very excited to begin a new year dedicated to protecting your interests. Teaching in public schools is one of the most honorable professions, as you have the ability to form the future through your students. Our public education system is our society's great equalizer, giving all students an opportunity to become independent, self-reliant, and valuable members of society. Public education is critically important to ensure an educated electorate necessary to maintain and protect our American democracy.

As you begin this school year, know that AHEM will be by your side as you take on the many challenges of your important responsibility of educating our youth. Your union office is your safe place, and the door is always open.

Please feel free to stop by, attend a union meeting or join in on one of the many fun activities, professional development, or worthwhile action opportunities available to members.

Your AHEM Officers:

Valerie Holthus, President

Jon Kohlen, Vice President/Secretary

Kate Tverberg, Treasurer
